Dear Mr Parker

RE: Certification of IGT game – Black Widow

This Certification Letter relates to the evaluation performed by Gaming Associates (**ga**) and resultant certification of IGT game – Black Widow on Remote Game Server (RGS). The evaluation was performed against the Gibraltar Gambling Commissioner (GGC) - Remote Technical and Operating Standards for the Gibraltar Gambling Industry, version 1.0.2012, date 10/10/2012.

ga has verified through source code review, functionality testing, and verification of mathematical treatise that the Black Widow game meets the GGC requirements. The statistical percentage return to player for Black Widow game is:

Pay-model 1 (Game id: 200-1187-001): 96.00%
Pay-model 2 (Game id: 200-1187-002): 93.49%
Pay-model 3 (Game id: 200-1187-003): 91.99%

Based on our scope of testing, **ga** certifies that the IGT game – Black Widow (Software ID: 200-1187-001, 200-1187-002 and 200-1187-003) complies with the GGC Remote Technical and Operating Standards for the Gibraltar Gambling Industry requirements, subject to secure installation on the production system. The detailed results of evaluation and hashes of installation packages have been provided in the game audit report.
