31 January 2013

Dear Mr Parker

**RE: Certification of IGT game – Cleopatra**

This Certification Letter relates to the evaluation performed by Gaming Associates (**ga**) and resultant certification of IGT game – Cleopatra on Remote Game Server (RGS). The evaluation was performed against the Gibraltar Regulatory Authority (GRA) - Remote Technical and Operating Standards for the Gibraltar Gambling Industry, version 1.0.2010, date 21/11/2010.

**ga** has verified through source code review, functionality testing, and verification of mathematical treatise that the Cleopatra game meets the GRA requirements. The statistical percentage return to player for Cleopatra game is 95.02%.

Based on our scope of testing, **ga** certifies that the IGT game – Cleopatra (Software ID: 200-1173-001) complies with the GRA Remote Technical and Operating Standards for the Gibraltar Gambling Industry requirements, subject to secure installation on the production system. The detailed results of evaluation and hash of installation package have been provided in the game audit report.

Please contact us with any questions at +61 2 8884-7900.

Yours sincerely

  
Alan Pedley  
Director
